

EMERGENCY MANAGEMENT CERTIFICATE (GRADUATE)

The Emergency Management certificate is designed for students to augment their current undergraduate degree, enabling them to advance in, or change to, a career in the field of emergency management. This graduate level certificate consists of four courses that will prepare students to apply key skills in the mitigation of, preparedness for, response to, and recovery from major emergencies, disasters, and terrorism events. All credits in this certificate may be applied toward the Master of Professional Studies in Emergency Management.
