Overview
Building upon Tulane University's strengths in civic engagement and service learning, the Social Innovation and Social Entrepreneurship (SISE) minor provides students with skills to create a more just and equitable society. The five main SISE courses introduce students to concepts of social innovation, mindsets of human-centered design, and frameworks for social impact leadership.

Social Innovation and Social Entrepreneurship is an interdisciplinary minor for undergraduate students from across the campus. The 17 credit hour minor includes a variety of courses taught by SISE faculty members and Social Entrepreneurship Professors from across the university.

SISE offices are located on the fourth floor of Howard Tilton Memorial Library next to the Latin American Library, in the Phyllis M. Taylor Center for Social Innovation and Design Thinking. Students wishing to declare the SISE minor can consult the SISE Academic Advisor Rebecca Otten (rotten@tulane.edu?Subject=SISE minor).

The SISE minor is supported by a variety of programming offered at the Phyllis M. Taylor Center for Social Innovation and Design Thinking (http://taylor.tulane.edu).

SISE also offers Taylor Your Life, a career development lab that teaches students how to approach their future with the mindset and toolkit of a designer. Learn more at http://taylor.tulane.edu/activities/taylor-your-life/
