

MINOR FOR NON-BUSINESS STUDENTS

Freeman's Business Minor Summer Institute is an accelerated program that provides students with the fundamental business skills needed to shine in the corporate world. In just 10 weeks, you'll earn up to 23.5 credits and acquire a business minor. In the process, you'll gain the business knowledge, professionalism, connections and confidence to jump start your career.

Make connections with Freeman's most distinguished faculty members. Diversify your academic portfolio. Open doors for employment opportunities along your career path.

The Business Minor Summer Institute will equip you with the additional knowledge and skills you need to start your career with confidence.
