**Prerequisite(s):** DMPR 2001 or THEA 2070.

**DMPR 3030 TV & Film Sound Design (3 Credit Hours)**
Professional, high quality sound design practices in narrative film are analyzed and implemented in this course. This hands-on experience will explore techniques of recording, mixing, processing, synthesis, sampling, and analysis of digital audio with emphasis on the fundamental elements of producing, designing and editing sound specifically for the moving image. Topics to be covered include microphone techniques, field and studio recording, stereo and 5.1 surround sound distribution, and Foley and ADR techniques. Students will collaborate in designing the sound for the Senior films.

**Prerequisite(s):** DMPR 2001 or THEA 2070.

**DMPR 3040 Lighting & Cinematography (3 Credit Hours)**
Techniques in the art and craft of lighting and digital cinematography are covered, from angles, frame composition, filters, and camera movement to image control through lighting, exposure, focus and lenses. Students learn from in-class demonstrations, out of class assignments, and analysis of the techniques of the masters in cinematography. The duties of camera department personnel are addressed. The class also includes instruction in the use of the dolly, slate, signal monitoring equipment, lighting styles and Steadicam.

**Prerequisite(s):** DMPR 2002 or THEA 2080.

**DMPR 3290 Digital Production Non-Profits (3 Credit Hours)**
This course emphasizes the role of communication in building understanding and nurturing change. It will consider the art of expressing ideas combined with the science of transmitting information. In this hands-on experience, students will analyze a communication situation or problem and then design and implement a communication plan that will help the nonprofit community partner achieve positive social change, fulfill its mission, advance its program and policies and make its value known. Service Learning is a required element in this course. Prerequisites: DMPR 2001, junior status.
