

MD - HISTOLOGY (HSTO)

HSTO 1001 Histology (5)

The Histology course is designed to provide students with a thorough understanding of the microscopic appearance and function of normal structures in the human body. This allows students to integrate this information with other disciplines such as Gross Anatomy, Pathology, and Physiology.

HSTO 1111 Histology Summer Course (5)

T1 & T2 summer courses may be required for students who need to remediate pre-clinical coursework. Contact your course director for more information.
