

MD - UROLOGY (UROL)

UROL 3500 Urology Acting Internship (4)

The student will function as much in the capacity of an intern as can be permitted under present medico-legal limitations. Ward rounds will be made daily with the residents; attendance and participation in outpatient clinics will be expected; and the student will assist in both diagnostic and operative procedures. Weekly staff pyelogram conferences, IVP conferences, faculty and resident lectures, daily sign out rounds with staff on call, and monthly D & C Conferences are held and the student is expected to attend. All outpatient clinics meet with an attending physician. Seminars and Visiting Professor Programs are open to the student. Course may be repeated up to unlimited credit hours.

Maximum Hours: 99

UROL 4000 Urology (4)

Students enrolled in this elective will make ward rounds daily with the residents; attendance and participation in outpatient clinics will be expected; and the student will assist in both diagnostic and operative procedures.
