The catalog of the University is the document of authority for all students. Any academic unit may issue additional or more specific information (e.g. student handbooks or program manuals) that is consistent with approved policy. These publications provide detailed and useful information; however, the information in the catalog supersedes that issued by any other unit if there is a conflict between the two. The University reserves the right to change the requirements given in the catalog at any time. Changes will become effective whenever the proper authorities so determine and will apply to both prospective students and those already enrolled.

Catalog Production Information
