Requirements

Sample Schedule, Master of Fine Arts, Studio Art

The Master of Fine Arts requires sixty (60) hours of graduate level courses. Two courses in Art History (6 hours) at the graduate level are required, as is attendance in the MFA seminar courses (12 hours) that are held each semester and rotate in theme (Pedagogy, Professionalism, Studio Practice, Art Theory). Of the remaining courses (42 hours) 30 hours must be in studio disciplines and are designed to meet individual needs and interests. These are mainly of a “workshop” or “atelier” nature. During the second year, all students are required to present a thesis exhibition in the Carroll Gallery and complete a written thesis contextualizing the exhibition. In addition, an oral examination is conducted by an appointed faculty thesis committee.
