MEDIEVAL AND EARLY MODERN STUDIES MAJOR

MEMS is a multidisciplinary program with a focus on the history and cultures of the medieval and early modern world. The Program consists of faculty and students from diverse departments within the School of Liberal Arts (Art History, Asian Studies, Classical Studies, English, French and Italian, Germanic and Slavic Studies, History, Jewish Studies, Music, Philosophy, Political Science, Spanish and Portuguese) and offers undergraduate major and minor concentrations, as well as graduate degree programs in affiliated professors’ home departments. We regularly sponsor presentations by scholars from universities around the country, conferences, and colloquia.

The major consists of 30 credits (10 courses) to be distributed in the following manner:
