

EMERGENCY MANAGEMENT CERTIFICATE (GRADUATE)

The Emergency Management certificate is designed for students to augment their current undergraduate degree, enabling them to advance an existing career in the field or change to a career in emergency management. This graduate level certificate consists of four courses that will prepare students to apply key skills in the mitigation of, preparedness for, response to, and recovery from major emergencies, disasters, and terrorism events. All credits in this certificate may be applied toward the Master of Professional Studies Graduate Degree in Emergency Management.
