

NONPROFIT AND STRATEGIC PHILANTHROPY MANAGEMENT CERTIFICATE (GRADUATE)

Overview

Students who receive a graduate certificate in Nonprofit and Strategic Philanthropy Management will be prepared to act in leadership and management roles in nonprofit and philanthropic organizations of all types and sizes. Courses from this graduate-level “stackable” certificate program are a part of the Public Administration program at SoPA; students may take an additional eight courses, including seven required courses, to earn the full Master of Public Administration degree.
