

## BIOLOGICAL CHEMISTRY MINOR

---

The minor in Biological Chemistry consists of Genetics, Biochemistry and either Cell Biology or Molecular Biology

### Requirements

Course ID	Title	Credits
<b>Cell and Molecular Biology Courses</b>		
CELL 2050	Genetics	3
<b>Chemistry Courses</b>		
CHEM 3830	Intro To Biochemistry	3
CHEM 3840	Intermediate Biochem	3
CHEM 3835	Intro to Biochem Lab	2
<b>Electives</b>		
CELL 3750 or CELL 3030	Cell Biology Molecular Biology	3
Total Credit Hours		14

**Additional information:**

To Minor in Biological Chemistry, you cannot Major in Chemistry or Cell and Molecular Biology.
