DEPARTMENT OF PHYSICS AND ENGINEERING PHYSICS

Programs
Undergraduate
Majors
• Engineering Physics Major (https://catalog.tulane.edu/science-engineering/physics-engineering/engineering-physics-major)
• Physics Major (https://catalog.tulane.edu/science-engineering/physics-engineering/physics-major)

Minors

Certificates
• Computational Engineering Certificate (https://catalog.tulane.edu/science-engineering/physics-engineering/computational-engineering-certificate)

Graduate
• Materials Physics and Engineering, PhD (https://catalog.tulane.edu/science-engineering/physics-engineering/materials-physics-engineering-phd)
• Materials Science and Engineering, MS (https://catalog.tulane.edu/science-engineering/physics-engineering/materials-science-engineering-ms)
• Physics, MS (https://catalog.tulane.edu/science-engineering/physics-engineering/physics-ms)
• Physics, PhD (https://catalog.tulane.edu/science-engineering/physics-engineering/physics-phd)

Courses
Engineering Physics (ENGP)
Physics (PHYS)
