

# SOCIAL WORK, MSW

The Tulane School of Social Work's mission is to enhance the well-being and equitable treatment of diverse individuals and communities through transformative education, generation of knowledge, service, and community engagement.

This course of study is designed to offer the best clinical and community training that addresses the unique needs of individuals, families, groups, organizations, and communities. Students in the program enjoy a variety of learning experiences, including traditional and non-traditional class experiences. Team projects, problem-based learning, creative simulation, team teaching, field work, and electronic learning exchanges are just some of the enriching experiences you will enjoy while fulfilling the requirements for the Master of Social Work.
